Pérfidas uñas de mujer (Spanish Edition) Hugo Beccacece

Un gesto, una frase dicha al pasar, una escena al anochecer pueden ser la clave de una vida. No la explican, claro, pero son una pista, el índice de un misterio que merece ser develado. En torno a ese hallazgo, la imaginación construye mundos posibles, calcula otros momentos, teje hipótesis que la paciencia, la observación y el análisis terminan revelando como verdades. La mirada que organiza todo esto es la del cronista, aunque también la del crítico. Son oficios diversos, que cada vez menos confluyen en una misma persona. Hugo Beccacece es la evidencia de que esa rara estirpe sigue vigente.

¿Cuál es su don? Un registro donde confluyen con pasmosa naturalidad la información y la reflexión, la malicia y las ideas, el chisme y la verdad histórica. Y una máxima elevada a la categoría de principio irrenunciable: el arte ilumina la vida de los artistas, y la vida de los artistas (sus anécdotas, sus amistades, sus furias, sus contradicciones), nos deja ver su alma, y de manera indirecta, ilumina su arte. Con este procedimiento, con una prosa exquisita que enseña y deslumbra, Pérfidas uñas de mujer nos descubre a Visconti y a Proust, a ciertas damas del surrealismo y a Marlene Dietrich, a Truman Capote y a José Bianco. Nos recuerda el poder del esnobismo, el magnetismo de las divas, y también el hechizo de dos amantes en el Lago Maggiore.

La lista podría seguir, naturalmente, pero como sucede con las mejores canciones, lo que cuenta no es la suma de notas, sino el leit motiv y la melodía, es decir, el espíritu. Este libro ejemplar es, al cabo, una guía que recorre momentos claves del arte del siglo XX y un ejemplo de como narrar y pensar a partir de historias ajenas. La maestría de Hugo Beccacece consiste en volver simple lo infrecuente. Es un talento elegante y discreto que se enciende cuando encuentra el personaje adecuado. Ese momento feliz, que late en cada página, es el corazón de Pérfidas uñas de mujer. Y el origen de esa felicidad, que remite a la infancia, quizás se devele en el último texto de este volumen.

From reader reviews:

Eileen Smith:

Reading a book can be one of a lot of exercise that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new data. When you read a reserve you will get new information mainly because book is one of numerous ways to share the information or maybe their idea. Second, examining a book will make you more imaginative. When you examining a book especially fictional works book the author will bring you to imagine the story how the people do it anything. Third, you are able to share your knowledge to others. When you read this *Pérfidas uñas de mujer* (Spanish Edition), you may tells your family, friends as well as soon about yours e-book. Your knowledge can inspire the others, make them reading a guide.

Mohammed Thomas:

Playing with family inside a park, coming to see the water world or hanging out with pals is thing that usually you have done when you have spare time, in that case why you don't try factor that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love *Pérfidas uñas de mujer* (Spanish Edition), you can enjoy both. It is very good combination right, you still desire to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't get it, oh come on its named reading friends.

April Miller:

This *Pérfidas uñas de mujer* (Spanish Edition) is great book for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This kind of book reveal it information accurately using great manage word or we can declare no rambling sentences included. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but difficult core information with lovely delivering sentences. Having *Pérfidas uñas de mujer* (Spanish Edition) in your hand like keeping the world in your arm, info in it is not ridiculous 1. We can say that no reserve that offer you world throughout ten or fifteen tiny right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. occupied do you still doubt in which?

Jesus Jones:

Many people spending their time by playing outside along with friends, fun activity having family or just watching TV all day long. You can have new activity to invest your whole day by studying a book. Ugh, think reading a book will surely hard because you have to use the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Touch screen phone. Like *Pérfidas uñas de mujer* (Spanish Edition) which is obtaining the e-book version. So , why not try out this book? Let's see.
