## **Reflections on Swedish Interiors** Rhonda Eleish, Edie Van Breems

A well-designed Swedish room, whether an antique-filled country home or a contemporary industrial loft space, has a calm and feel-good quality that literally permeates the atmosphere. See how some of the most authentic advocates of Swedish design are using these ideas in their own homes, places of pure beauty and simplicity. The fundamental concepts of Swedish design are in full play at each location featured and are important qualities to incorporate into a home—those of functionality, quality of materials, light, preservation, art, eclecticism, color, sense of place and a deep reverence for nature.

Featured in the book are projects by designers Eleish van Breems, 2Michaels, Liza Laserow, and Jonas Wickman with a look into the private homes of Barbara Paca and Philip Logan of Preservation Green, Mick Aarestrup and Paula Batali of Lief, Tara Shaw of Tara Shaw Inc., Jill Dienst of Dienst and Dotter, Ann Ljungberg and Rajesh Kumar of Just Scandinavian, international stylist Ingrid Leess, and designers Patricia Fischer of Patricia Fisher Interiors and Linda Kennedy of Meredith Baxter Home. The elements of Swedish style are broken down for the reader with inspiring photos and directives and a Resource Guide is provided for further exploration.

Forewords by Brad Ford and Keith Granet.
