Evil is real, and Christian women know it. While most books on the topic of spiritual warfare take a charismatic approach, *Spiritual Warfare for Women* aims directly at the center of the evangelical market, giving instruction and assurance to all women who want to protect themselves and the ones they love. McCoy provides spiritual wisdom and practical tips on identifying the enemy's strategies, overcoming fear, and exercising the power that comes from God. The book is structured around the battle between God's love and Satan's lies. Once a woman can embrace the first and reject the second, she is well on her way to victory.
