A Somali pirate attack raises a red flag when the stolen cargo is Russian tanks and ammunition—enough to start a civil war. Called in to seek and destroy the weapons, Mack Bolan knows the only way to head off future bloodshed is to cause some deadly mayhem of his own.

Dodging the local warlords in their own backyard isn't going to be easy—especially when their army of foot soldiers is seemingly endless. But Bolan is ready to end this lethal game. With the bidding about to begin, the Executioner is prepared to go all the way—and his price is death.
