Kerry has seen the error of her trusting ways. Turning to someone for help turned out to be a complete mistake. So now she is back on her own -- mulling over the same issues, stuck with the same baggage: Find the witch named Season. Avenge Daniel's death. Decipher the ancient witch stories.

The difference is that this time Kerry is armed. For starters, she's picked up more than a few tricks of the witchy trade herself. To boot, she's got the knowledge that everything is definitely *not* as it once seemed. So even if her quest gets blown off track, Kerry is prepped.

The trick to navigating her topsy-turvy path is figuring out who she can trust. As Glinda once astutely asked, "Are you a good witch, or a bad witch?" This winter, that's the million-dollar question.
