Ancient-Future Disciples: Meeting Jesus in Mission-shaped Ministries Becky Garrison

Fresh expressions of church may offer a fresh take on ancient Anglican tradition and worship. But what difference are they making for the people who call them their church home?

Journalist and religion commentator Becky Garrison spent a year visiting US based mission-shaped ministries. Where most books focus on the pioneers who founded these congregations, Garrison shifts to focus on the people on the ground: what drew them to the community, why they come back and how they understand themselves to be “church.” In the process, she reveals wisdom around evangelism, Christian formation and discipleship that every congregation can use to flourish in this postmodern age.
