Bloodshot: Portal 666 (Kindle Worlds Novel) David Baillie

Bloodshot keeps waking up and looking at hell through different windows.

The Valiant hero comes to while strapped to a bed in a nightmarish hospital. He has no memory and—worse still—seems to have lost the nanites in his bloodstream that usually endow him with extraordinary regenerative abilities. With fellow patient Shooter McCabe, Bloodshot orchestrates a cunning escape attempt but is apprehended by the sadistic leather-clad Electric Zoe. Regaining consciousness, Bloodshot finds himself in a western mining town powered by steampunk technology. But how did he get there? Someone's playing him for a fool, and he intends to find out who. In the hunt for his tormentor, Bloodshot encounters Nazi robots, cyberpunk hackers, and even dinosaurs—all of which stand between him and his latest diabolical enemy, Barbed Daddy.

And so it goes. Bloodshot bounces from one hellish reality to the next, searching for the villainous conspiracy that explains an ever-changing universe gone horribly wrong. Acclaimed author David Baillie's *Portal 666* is an unforgettable chapter in the Bloodshot series.
