If you are looking for a way to make your life so much easier with regards to cleaning and organizing your home then this is the book for you!

One of the most difficult things when it comes to either cleaning and organizing your home is where to start. This guide will take you step by step through the information and tips to make this so easy.

With chapters which are easy to follow and even give you a breakdown of each room in a home with organizational tips that can be applied to anywhere in your home.

It is far nicer to live in a clutter free environment rather than chaos and you will also find that your own moods are affected by the way in which you live. Clutter and chaos will see you living a disorganized life running from one thing to another, whereas a clean, organized space will give you a certain feeling of serene calm and inner peace and happiness.

I know which I would prefer, it is up to you to take this simple step and begin to enjoy your life and the way that you live it in the knowledge that everything has a place and you know where that place is.

Here is what you will learn after reading this book:

- Where to start!
- A cleaner, happier home
- DIY cleaning recipes and tips
- Organization
- The downstairs of your home
- The upstairs & outside
