Men Who Love Men

William J. Mann

Men Who Love Men William J. Mann

For Jeff O'Brien, life has finally fallen into place. He's now a bestselling author, living in Provincetown full-time with Lloyd Griffith, his longtime lover and soon-to-be legal husband. Forty has nothing on Jeff and Lloyd--they're the still-sexy poster boys for settled, contented domesticity.

Meanwhile their best friend Henry Weiner, escort-turned-erotic energy worker, wonders if he'll ever find what Jeff and Lloyd have with each other. Thirtysomething, no longer the muscle boy of his twenties, Henry's searching for that one special someone--though he's just about ready to give up when a meeting at Tea Dance changes everything.

Enter Luke West. Dangerously young, boyishly handsome, with a seductive charm and a rich fantasy life, Luke tells everyone he's come to P-Town to find himself both personally and as a writer. But his real agenda may possibly be very different--and far less innocent. Once he's worked his way into Jeff, Lloyd, and Henry's lives, Luke find his presence arousing intense feelings in all three men. Now Jeff, Lloyd, and Henry will face their futures alone and together, closing the door on some chapters of their lives while opening others to new love and hope.

With *Men Who Love Men*, William J. Mann tackles the big questions of contemporary gay life, delivering a beautiful, thoughtful book about love, sex, commitment, friendship, and fantasy, about the lives we engineer and the joyful surprises that happen when we least expect them.

"Powerful. . .Mann's most mature and ambitious fiction to date. . .a strong, sexy novel that will stand out."
--*The Lambda Book Report*
