Love God, love people. Could evangelism really be that simple?

Often, it doesn't seem so. It can feel scary, awkward, and uncomfortable as we try to navigate loaded questions and different perspectives. Even the most faithful of believers sometimes get stumped. But can you imagine if we, as Christians, simply spent time with people who are far from God and provided a safe place to talk about spiritual matters? If we listened to them and discovered what was really important to them? After all . . . it's what Jesus did. And it's what *you* can do too.

Drawing straight from the life and ministry of Jesus, *The 9 Arts of Spiritual Conversations* offers simple practices to help you build relationships with people who believe differently. Anyone who has read and appreciated *Becoming a Contagious Christian* or *Just Walk across the Room* won't want to miss this book on creating a safe space to have natural, loving, and spiritual conversations with others.
