**The Perfectly Useless Book of Useless Information: You'll Never Need to Know Anything That's in This Book...But Read It Anyway** Don Voorhees  
**It doesn't get any more useless than this!**

The most inconsequential entry yet in the #1 *New York Times* bestselling series proves that information is overrated.

Your life won't be improved by knowing that...

- ? Frank Sinatra's mother was a convicted felon.
- ? Bugs Bunny was born in Brooklyn.
- ? The average American home contains \$90 in loose change.
- ? It is illegal to use the American flag in advertising.

And there's no good reason to also discover...

- ? Which game show host previously worked as a garbageman.
- ? Which day of week is the most popular to rob a bank.
- ? Which millionaire loaned his kidnapped grandson ransom money at 4 percent interest.
- ? Which country once had a dog for a king.
