## **Visioni (Italian Edition)** Thomas Servignani

Una esplorazione nel mondo delle Idee, dove regnano l'arte e la perfezione. Un viaggio nell'iperuranio, in un cosmo fantastico alla ricerca della Verità ultima. È questo il romanzo Visioni, opera sommamente immaginifica e onirica, lontana dall'immanenza e dalla insensatezza della realtà di Materia.

Elegante nello stile, di atmosfere misteriose, raffinato nella costruzione. Rivestendo di emozioni concetti elevati e impervi nella loro portata visionaria, l'autore intraprende un viaggio di conoscenza tra le più notevoli espressioni del Pensiero, onde investigare i fondamenti delle arti figurative, della musica e della danza, della matematica e del puro ragionamento speculativo, delle categorie dello spazio e del tempo. Sul filo di una prorompente immaginazione, che disvela tra di essi i legami più profondi e insospettati.

Eppure, raccolta la summa e i segreti ultimi del sapere, una rivelazione sferzerà infine in pieno volto il coraggioso viandante: che l'ambizione alla conoscenza e alla perfezione, rapito l'essere, si risolve tragicamente in una chimerica illusione.
