Escaping Daddy Maria Landon

The sequel to Daddy's Little Earner tells Maria's story as she tries to rebuild her life.

Determined to escape from her past and be the best wife and mother she could possibly be, Maria throws herself into her marriage. But it is never that easy to escape from such a traumatic start in life.

Maria tells the story of her marriage into the gypsy community and the emotional demons that rise up from her childhood to haunt her as she becomes the victim of violence once more. She leads the reader through her own personal and inspiring journey out of a nervous breakdown, through two marriages and on to becoming a personal development teacher, helping many others to overcome their pasts, and a strong, empowered single mother of two boys.
