Practical Theology and Pierre-André Liégé: Radical Dominican and Vatican II Pioneer (Ashgate Contemporary Ecclesiology) Nicholas Bradbury

Pierre-André Liégé, one of the foremost French theologians of the 20th century, influenced John XXIII and Paul VI, and sat on Vatican II committees with both the future John Paul II and Benedict VI. Fifty years on from Vatican II is a good time to remember the decade of dramatic struggle and pioneering work that preceded it, and review what it accomplished. This book explores the life and work of Pierre-André Liégé, presenting it to an English speaking readership for the first time. Discussing the impact and profound challenges Liégé's work raises for spirituality and church life today, Bradbury tackles issues including: the organisation of parish life rooted in theological criteria; cradle to grave corporate Christian formation; a compelling vision of what the church is for and why, and how should this be expressed in practice. Bradbury argues that for faith to match real life, the church today needs to let go of much baggage, align its talk to its action, and radically re-examine the question of what the church needs to do to conform to the Gospel. This book takes critical issues confronting practical theology and the church, breaking them open in a lively and accessible style.

Melissa Broussard:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this

time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Practical Theology and Pierre-André Liégé: Radical Dominican and Vatican II Pioneer (Ashgate Contemporary Ecclesiology) can make you sense more interested to read.
