The Night the Lights Went Out on Christmas Ellis Paul

Based on acclaimed singer-songwriter Ellis Paul's Christmas song, this hilarious tale focuses on an inevitable part of the holiday season—lights! Year after year, the neighbors on one suburban street try to outdo one another with their holiday decorations, until one night their efforts take out the world's power grid. Once the neighborhood is dark, though, they're finally able to see the stars above clearly—a simple, perfect Christmas show.
