## **El desafío del guardián (Spanish Edition)** Eva Pohler

Han transcurrido diez meses angustiosos desde que Therese se enfrentó al asesino de sus padres en el Monte Olimpo, y sospecha que la ausencia de Tánatos esconde un mensaje para ella: sigue adelante con tu vida. Intenta corresponder al afecto de Pete, a pesar de que su corazón pertenece al dios de la muerte, pero cuando Tan aparece para llevarse el alma de su hámster, ella se enfurece cuando él le dice que “ha estado ocupado”. En confabulación con su nueva amiga, quien se ha estado juntando con los Demonios Drogones de la escuela, Therese consume una droga que simula una experiencia cercana a la muerte con la idea de decirle Tan lo que piensa de él para tener un cierre y seguir con su vida, pero el experimento tiene un desenlace funesto. Finalmente, Therese se entera de que Tan ha estado ocupado buscando la manera de convertirla en diosa, y la ha encontrado, pero para que eso ocurra Therese deberá superar una serie de desafíos imposibles impuestos por Hades, que desea verla fracasar.
