Muhammad and Christ Moulvi Muhammad Ali

Learn more about Islamic teachings through the lives of two of its prophets or gain a different perspective on Jesus Christ to that usually taught in Western culture with this religious book by Moulvi Muhammad Ali.

In Islam Jesus Christ is believed to be another prophet, important in his own right (although not of course divine himself as Christians believe). Here Ali compares the lives of Muhammad and Christ with great respect to the dignity of both. As the introduction states: "A belief in all the prophets of the world being thus the basic principle of the faith of Islam, the Muslims have always been averse to institute comparisons between the various prophets of the world... lest in the heat of controversy on such points, things might be said which may be derogatory to the dignity of a prophet."

Moulvi Muhammad Ali was a respected and prominent Islamic scholar, so he naturally writes from an Islamic perspective. For Moslems this book is an excellent look into their religion, but it is equally valuable for Christians and other religions as an insight and understanding of Islamic culture, which can surely only help in this divided age.
