Toots in Solitude: A Novel John Yount

Funny, suspenseful, tender, and wise—the story of a man who took to the woods, and the woman who found him there

Soon after his fortieth birthday, Macon “Toots” Henslee left his home, his job, and his marriage to live in a tree house. Lots of people—his wife especially—thought that he had lost his mind, but from his perch atop a Tennessee riverbank, Toots could see plainly the insanity of his old life. He had become a man who said and did the opposite of what he wanted to say and do—what could be crazier than that?

Nine years later, Toots is out fishing one morning when he catches sight of a nervous young woman hiding behind a sycamore. Sally Ann Shaw is an aspiring country singer in trouble—the kind of trouble that comes with a briefcase full of stolen drug money and a pair of hired thugs in hot pursuit. A hermit’s tree house is the perfect hiding place, but in such close quarters, Toots and Sally Ann have more than gangsters to fear. For a man who gave up everything to start life over again and a woman in desperate need of a hero, love may be the most dangerous game of all.

Hailed by the *New York Times* as “a tale written with zest and read with pleasure,” *Toots in Solitude* is a novel as eccentric, endearing, and irresistible as its unforgettable main character.

So , how do you think about this e-book?

Peggy Hahne:

Reading can called imagination hangout, why? Because if you are reading a book particularly book entitled Toots in Solitude: A Novel your thoughts will drift away trough every dimension, wandering in each and every aspect that maybe not known for but surely might be your mind friends. Imaging every word written in a publication then become one form conclusion and explanation which maybe you never get previous to. The Toots in Solitude: A Novel giving you another experience more than blown away your head but also giving you useful information for your better life on this era. So now let us show you the relaxing pattern this is your body and mind is going to be pleased when you are finished reading it, like winning a casino game. Do you want to try this extraordinary wasting spare time activity?

Lynda Wright:

This Toots in Solitude: A Novel is great reserve for you because the content which can be full of information for you who all always deal with world and possess to make decision every minute. This specific book reveal it facts accurately using great manage word or we can declare no rambling sentences in it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but difficult core information with splendid delivering sentences. Having Toots in Solitude: A Novel in your hand like obtaining the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world throughout ten or fifteen tiny right but this publication already do that. So , it is good reading book. Hey there Mr. and Mrs. occupied do you still doubt this?

Amanda Bernard:

Is it an individual who having spare time then spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Toots in Solitude: A Novel can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these books have than the others?
