**La convivencia ciudadana como norma policiva (Spanish Edition)** María de Jesús Illera Santos, Luis Miguel Guardela Contreras

Esta obra, dirigida a juristas, docentes universitarios y estudiantes de derecho de nivel de pregrado y posgrado, es el resultado de una investigación adelantada por el Grupo de Investigación en Derecho y Ciencia Política de la Universidad del Norte y su línea Democracia y Sociedad Civil. Sin lugar a dudas, se constituye en un valioso aporte para el estudio de la evolución del derecho policivo como conjunto de normas que garantizan y facilitan las condiciones para el ejercicio de los derechos, libertades y deberes consagrados en el ordenamiento jurídico de Colombia. La obra permitirá a los estudiosos del derecho policivo tener un punto de referencia para entender, dentro del marco de una problemática jurídica, los profundos conflictos que se derivan de la idiosincrasia colombiana, y a las autoridades les servirá como un excelente marco conceptual a partir del cual es factible la construcción de una política pública.
