Massacre at Powder River (Matt Jensen, The Last Mountain Man Book 7) William W. Johnstone, J.A. Johnstone

The Greatest Western Writer Of The 21st Century

In the harsh, unforgiving American frontier, in the vast wilderness that is Wyoming, a ruthless gang of cutthroats is ripping a bloody swath of death and destruction through the territory. No one can stop them. . .no one, that is, except for a legendary mountain man named Matt Jensen.

Massacre at Powder River

The year is 1884. A 10-year-old British boy has come to visit his uncle's Wyoming spread, just as the vicious Yellow Kerchief Gang has the ranch under siege. Outgunned and outmatched, a British rancher is willing to pay \$5000 for help. That is more than enough money to bring Matt Jensen into the fray. A huge, bloody gunfight, fueled by betrayal, erupts at the Powder River. But Matt has to shoot carefully. The Yellow Kerchief Gang has a hostage--the British lad named Winnie. And Matt has history on his hands, because Winnie Churchill must survive. . . Fifty years later Winston Churchill will fight a war of his own--carrying a Matt Jensen .44 shell in his pocket and a gunfighter's spirit in his soul.
