*A passion neither of them wanted...and neither can deny.*

Anna Locke was once young, naïve and infatuated with the handsome Jude Sinclair. Until the charismatic “gentleman” showed his true colors by abandoning her on their wedding day.

In the years since, she has transformed herself into a confident, successful woman, independent of her errant husband’s aristocratic family in every way but name. When Jude unexpectedly returns demanding a divorce, she quashes the butterflies he still elicits, and resolves to show him she won’t be so easily cast aside.

Jude has come home to assume the responsibilities left to him upon his father’s death, and to finally end the marriage into which he was tricked. To his surprise, Anna is no longer an awkward, skinny girl with a furtive gaze. She has become a lush, enigmatic vixen with dark eyes that shield secrets she seems determined to keep.

In their intimate war of wills, the heat of bold desire flares into passion—and casts light on a shared past tangled in lies and blackmail. But until Jude can win her trust and learn the truth, there will be no destroying the obstacles that loom darkly between them...and the love that should have been theirs.

Warning: This title contains a shockingly revealing sapphire gown, highly improper behavior at a masquerade, a tangled web of deception, and perhaps most scandalous of all, a fiery passion that flares to life between a husband and wife who have been estranged since their wedding day.
