**The Revival of British Liberalism: From Grimond to Clegg** Dr Tudor Jones

*The Revival of British Liberalism: From Grimond to Clegg* charts and explores the development of Liberal thought from the accession of Jo Grimond to the leadership of the Liberal Party in November 1956 through to the election of Nick Clegg as Leader of the Liberal Democrats in December 2007. The book is an ideological history of the Liberal Party and the Liberal Democrats, examining Liberal ideas as they have been embodied both in the writings of Liberal politicians and thinkers and in the policies and strategies of the Liberal Party and the Liberal Democrats. The author also draws upon his interviews with some of the leading protagonists in the debates under scrutiny.
