Thyla is a story of Tasmania: of darkness, of convicts, of devils and tigers, and of promises that stay true through the centuries. It is the story of what happened to Cat, and what Tessa really is.

My name is Tessa. I am strong. I am brave. I do not cry. These are the only things I know for certain. I was found in the bush, ragged as a wild thing. I have no memory - not even of how I got the long, striping slashes across my back. They make me frightened of what I might remember. The policewoman, Connolly, found me a place in a boarding school and told me about her daughter, Cat, who went missing in the bush. I think there is a connection between Cat, me, and the strange things going on at this school. If I can learn Cat's story, I might discover my own - and stop it happening again.

A thrilling paranormal tale of shapeshifting, a centuries-old war and finding out who you really are when your memories betray you.
