Today creates Tomorrow: How destiny lies in your own hands Stacey Blake

While there are hundreds of spiritual books on the market today, Stacey Blake's Today Creates Tomorrow is exceptional. Written in concise language the author explains that while it is never possible to understand "everything" that happens in life and the "why's" of it all, it is possible to understand much of it. Recounting catastrophic loss in her life Stacey offers that no matter how many spiritual my mystical books you have read, it is a Divine Truth that until you are finally ready to be released from pain and suffering, you will not be. However, in "one moment" you can make a great change "within" when your soul is ready. Today creates Tomorrow is a book that will lift your spirits and set your heart to soar as you realize that Universe and the Divine Spirit does not judge you "right" or "wrong" in life. Stacey's writings on Divine Truths are beautifully described in simplicity and elegance. These Divine Truths offer intense comfort as Stacey contends that no matter how painful life can oftentimes be "We are all Loved" and "We are all Safe" as we walk on our journey back Home!
