Miguel Mihura

Tres sombreros de copa (Clásicos Almadraba) (Spanish Edition) Miguel Mihura

La presente edición, llevada a cabo por José Huerto, profesor de Educación Secundaria, consta de una completa introducción para situar la obra en el contexto histórico y cultural en el que surge, además de ofrecer un análisis claro de su composición, de su estilo y de su importancia en la historia de la literatura, que incluye un cuadro cronológico. A continuación, se inicia el estudio de la obra, que cuenta con numerosas notas aclaratorias, en su mayoría de carácter léxico. Finalmente, se propone una serie de actividades didácticas para facilitar la lectura y la comprensión del texto. La obra se acompaña también de las ilustraciones de Riki Blanco. Esta comedia, escrita por Miguel Mihura, escenifica una denuncia de lo absurdo de ciertas situaciones de la vida cotidiana, así como de la vaciedad de los tópicos y las convenciones sociales. En la obra se enfrentan dos mundos y dos concepciones de la existencia: por un lado, el orden burgués y las normas y comportamientos establecidos; por otro, la alegría, la despreocupación y la espontaneidad de un grupo de artistas que representan la vida libre y sin compromisos.
