Can he save them both from the Valley of the Shadow? Following a humiliating defeat at Philadelphia and a stunning victory at Saratoga, Washington's army faces yet another bitter winter, this time at Valley Forge. Meanwhile, General Jonathan Carleton races to save Elizabeth Howard from the horrors of the prison ships in the British stronghold at New York, while British General William Howe plots to execute them both. From heart-pounding battles on the high seas, to the rigors of Valley Forge and the Shawnee's savagely fought wars to preserve their ancestral lands, Valley of the Shadow continues the thrilling saga of America's founding in an inspiring story of despair, courage, and triumph.
