Alexander's Bridge Willa Cather

Bartley Alexander, a construction engineer, is a middle-aged man torn between Winifred, his demanding American wife, and Hilda Burgoyne, his alluring British mistress. Alexander's relationship with Hilda erodes his sense of honor and eventually proves disastrous when a bridge he is constructing begins to collapse. Alexander's Bridge is an instructive, thought-provoking study of a man's growing awareness of his loss of integrity. Newly designed and typeset in a modern 6-by-9-inch format by Waking Lion Press.

From reader reviews:

Jeffrey Drake:

Information is provisions for individuals to get better life, information presently can get by anyone in everywhere. The information can be a knowledge or any news even a concern. What people must be consider while those information which is from the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one the resource are convinced. If you have the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Alexander's Bridge as your daily resource information.

Blake Westerman:

Many people spending their time by playing outside having friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to spend your whole day by reading a book. Ugh, you think reading a book can really hard because you have to bring the book everywhere? It fine you can have the e-book, taking everywhere you want in your Touch screen phone. Like Alexander's Bridge which is having the e-book version. So , why not try out this book? Let's observe.

Alita Schmidt:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This Alexander's Bridge can be the response, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these publications have than the others?

Lorraine Michael:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many query for the book? But just about any people feel that they enjoy regarding reading. Some people likes examining, not only science book but novel and Alexander's Bridge or perhaps others sources were given information for you. After you know how the great a book, you feel desire to read more and more. Science reserve was created for teacher as well as students especially. Those publications are helping them to include their knowledge. In some other case, beside science e-book, any other book likes Alexander's Bridge to make your spare time a lot more colorful. Many types of book like this.
