La receta del doctor Pastilla y otros acertijos (Plataforma Actual) (Spanish Edition) Lluís Segarra
Acertijos, enigmas y desafíos en clave de humor para poner a prueba la mente

Las adivinanzas, los problemas de cálculo y las trampas verbales no son despreciables entretenimientos ni vulgares pasatiempos; por el contrario, son una eficaz herramienta para reforzar nuestra creatividad, poner a prueba nuestra paciencia y ayudarnos a reflexionar.

Con este objetivo, el autor ha reunido en esta obra una colección de diferentes clases de acertijos y desafíos mentales que combinan humor, ingenio e inteligencia, con respuestas que te sorprenderán y te harán reír. Para resolverlos, necesitarás en algunos casos ejercitar el razonamiento lógico, en otros, el pensamiento lateral, y en unos cuantos tus habilidades matemáticas. Ninguno de los problemas planteados es demasiado difícil, y todos ellos en conjunto constituirán un ameno entretenimiento y una fuente de placer intelectual.
