Moving from Fear to Freedom Grace Fox

Fear was not part of God's original agenda for his creation. It slithered onto the scene when Adam and Eve sinned, causing a tear in their relationship with God. And even though fear touches every life and can still debilitate people today, the news isn't all bad. Popular speaker and author Grace Fox demonstrates how believers can face their fear and actually let it be a catalyst for change.

Readers will learn how to stop hiding from God and instead develop a deeper relationship with Him. This is what she calls "the upside of fear": When we cry out to God for help, He answers, and we experience Him in new ways.

Each chapter highlights a particular area where readers can begin to experience freedom from fears about their personal identity, their finances, their kids, the future, and more.
