This title chronicles the latest adventure of various iconic characters from the Dungeons & Dragons core rulebooks. This series of novels is designed to bring readers closer to the feeling of actually playing a D&D adventure. This seventh title in the novel line features the iconic characters of the fighter and the rogue, both of whom appeared in the kickoff title of the line, *The Savage Caves*.

Frigid cold and ice sweep across the realm at the height of summer. Arctic monsters prowl the flash-frozen landscape. To unlock the mystery, a small band of heroes must traverse the depths of a ruined, ice-clogged city that now houses only unearthly creatures and deadly traps.

Will they find the key to salvation?
