Behind the Moon Hsu-Ming Teo

“*Behind the Moon* is a satisfying, original and thought-provoking pleasure.”—*Good Reading Magazine*

“Neatly balanc[es] betrayal and real drama, with farce and macabre, biting humour. . . . Highly recommended.”—*Australian Bookseller & Publisher*

Outsiders and misfits in their Australian school, three friends form a mutual bond: Justin Cheong, an only child and the idol of his Singaporean-Chinese parents; Tien Ho—daughter of a Vietnamese mother who stayed behind and an African American soldier she has never met—who lives with indifferent relatives; and Nigel “Gibbo” Gibson, an oddity: an Australian boy who, to his father’s chagrin, dislikes sports.

When Tien Ho’s mother arrives, the adjustment for mother and daughter is extreme. Gibbo is strongly attracted to beautiful, dainty Linh, to whom he is a kid, her daughter’s pal. And Justin discovers that he likes Gibbo as something more than a friend.

The three draw apart as they grow up, only to be reunited once more on Saturday, September 6, 1997, for the dinner Mrs. Cheong hosts for them and their parents, to watch the funeral of Princess Diana on television. This Dead Diana Dinner turns out to be a more explosive event than any of them would have dreamed possible.

From the Trade Paperback edition.

From reader reviews:

Maurice Miller:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each book has different aim or maybe goal; it means that reserve has different type. Some people experience enjoy to spend their the perfect time to read a book. They are reading whatever they acquire because their hobby is definitely reading a book. Think about the person who don't like reading a book? Sometime, man or woman feel need book when they found difficult problem or maybe exercise. Well, probably you will need this Behind the Moon.

Leslie Heidelberg:

Behind the Moon can be one of your nice books that are good idea. We recommend that straight away because this reserve has good vocabulary which could increase your knowledge in vocabulary, easy to understand, bit entertaining but nonetheless delivering the information. The copy writer giving his/her effort that will put every word into pleasure arrangement in writing Behind the Moon yet doesn't forget the main place, giving the reader the hottest as well as based confirm resource data that maybe you can be certainly one of it. This great information could drawn you into brand new stage of crucial considering.

Kate Word:

You could spend your free time you just read this book this reserve. This Behind the Moon is simple bringing you can read it in the park, in the beach, train as well as soon. If you did not have much space to bring typically the printed book, you can buy the particular e-book. It is make you simpler to read it. You can save the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Willie Alford:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Behind the Moon can make you experience more interested to read.
