Some nightmares are deadly real.

*The Sentinels, Book 1*

Camille Bryant is a gifted medium being slowly driven insane by terrifying dreams. When she is forced to accept help from a Sentinel—a mysterious warrior of her race—her comfort zone is quickly invaded. Try as she might, she can't seem to stop the erotic visions that fill her mind when her rescuer is near.

Ian Spain is a dream walker who's been assigned to banish the dream demon from Camille's restless nights. But complications quickly ensue. This is no ordinary demon and Camille is no ordinary woman: both are far stronger than anyone realizes. So strong, Ian suddenly isn't sure he has the power to vanquish her demon—not when his own hound his every step.

Their passion ignites even as the body count rises and their courage is put to the test in a battle as old as time. Winner takes all.
