Installing Floors

There is a wide variety of flooring options available -- wood, tile and stone, laminate, resilient vinyl, bamboo, and cork -- and *Installing Floors* shows homeowners how to lay them all like a pro. In this new title from the successful *Build Like A Pro* series, contractor and experienced author Joseph Truini covers the subject in great detail; he walks readers through the process of installation -- made attainable through more than 350 step-by-step photos and illustrations -- and explains the benefits and unique properties of different materials. Like previous titles in the series, this book delivers on its promise of, "expert advice from start to finish."
