A charming and hilarious *New York Times* bestseller about the enduring wisdom of dogs, from the host of the enormously popular *National Dog Show*

*It's Okay to Miss the Bed on the First Jump* is more than a mere celebration of man's best friend. In this lighthearted exploration of how and why dogs serve as some of our most valuable and enlightened teachers, well-known and well-loved actor/show host John O'Hurley shares lessons learned from his life with canine companions, including:

- Every 15 Minutes Is a New Day
- Never Miss a Nap
- When One Person Stops Petting You, Move On
- A Cold Can of Meat Is Still a Feast
- You're Only as Big as You Think You Are

*"Dogs, after all, have pure hearts, trusting natures, a zest for living, noble characters, and an ability to take things in stride,"* writes O'Hurley in the book's introduction. *"They can be counted on, and are pleasant companions. They know what's important, always. How many humans do you know about which you could say the same?"*

At once poignantly moving and laugh-out-loud funny, *It's Okay to Miss the Bed on the First Jump* is a must read for dog lovers everywhere.
