Alex didn't know that the bag of money she found on the side of the street would bring such trouble.

If she would have seen the dangers lurking around the corner just waiting, she never would have spent the hundreds of thousands of dollars. And when her life is threatened, she has to make the decision of a lifetime—die, or repay the rightful owner.

If she decides to live, she will need a way to get the money. And Kendra might just have the quick solution she needs.

However, becoming a highly paid escort wasn't exactly how she saw her future. And when her male suiter is none other than billionaire film maker, Nash Brooks, who also happens to be a member of the exclusive L.A. night club, MINT, Alex might have entered a world she can't escape.

Mature audience only. 18+

This short and steamy is planned to unfold over several volumes and Vol. 1 ends on a cliffhanger.
