So you want to hear my miserable tale? Bad idea. Go live vicariously through a girl whose life worked out the way she planned. A girl who didn't wake up one morning and find that her relatively simple, albeit disconnected life had been turned upside down and filled with the darkest of magic and worst of curses. Here I thought the SATs and college applications were complicated!

Have you ever felt so completely lost and out of place you wondered if your life was really even yours? Well I have. I've lived most of my life feeling as though I were trapped in someone else's, so when I found out that I was born a witch, it all started to fall into place. That is until I met the tall, dark and mysterious Elliot and realized that dating in the mortal world has got nothing on the complication, desire and mistrust that surrounds romance in the magical world. It doesn't help that our families are mortal enemies either. Did Romeo and Juliet have to suffer plagued curses and time travel in their struggle? I think not. As tragic as their tale was, they were fully responsible for their fate, but not Athiya and Elliot. No, our story was completely out of our control.
