Redes sociales, cultura y poder. Ensayos de antropología latinoamericana (Las Ciencias sociales) (Spanish Edition) Larissa Adler-Lomnitz

En los artículos incluidos, Adler Lomnitz muestra las redes en las que se mueven algunos grupos sociales latinoamericanos que buscan superar las formalidades de la sociedad estructurada y logran subsistir de manera informal en sus diferentes ámbitos. La autora aplica las herramientas antropológicas al análisis de un grupo “moderno” y revela el esquema del compadrazgo. En el estudio de un grupo de migrantes pobres en la ciudad de México, vuelve a centrar su atención en la solidaridad resultante de la ayuda mutua.
