The Thinking Teacher Oliver Quinlan

Good Teachers do, great teachers think'. Oliver Quinlan presents ideas from education, business and other areas of life that teachers and educational leaders can use to enhance and explore their thinking. In order to progress we must philosophise about learning, question traditional practice and be resourceful in providing solutions for better education. The only way the education system can improve standards and be at its best is by ensuring that those who govern it don't stop thinking about it! Innovation is the key to our progress as individuals and society as a whole
