He sure would love to have someone to take care of...

Dr. Mike Flynn's single mom taught him early how to cook and clean, and there's nothing like vacuuming or doing dishes to help a guy relax. Annabelle Ronaldi is an artist without a domestic bone in her body. Since her fiance's death, she can't paint, and life looks hopeless.

Until the day after her sister's wedding, when she wakes up with Mike next to her in bed, and then she's really beside herself - because the handsome stranger is a dead ringer for her dead fiance.

After their mind-blowing one night stand, Mike is sure this is the woman he wants to take care of forever, but she acts like she's seen a ghost. While Mike sets to work wooing Annabelle, she sets to work sniffing out the truth of the convoluted family secret that turns everybody's lives upside down.
